

TiVo® Premiere

The channels you watch. The web entertainment you want.

TiVo Premiere is so much more than a DVR. Yes, it's the most advanced and innovative DVR ever built, but that's just the start. Premiere also connects to the Internet, so you're no longer confined to what's on TV. Now an entire universe of on-demand movies, TV shows, web videos and music complements your cable TV lineup. And all this great entertainment is brought together and served up on a single easy-to-use menu. Finally, a device to tap the true potential of your HDTV has arrived. TiVo Premiere.

Product overview:

- Connects to your cable service and replaces your cable box
- Control live television with pause, rewind, slow-mo and instant replay
- Record your favorite shows and discover new ones
- Record up to 75 hours of HD programming
